Neighborhood Dumpster Program

It is that time of year again to reserve your neighborhood dumpsters. Reservations opened February 1 and reservations are going FAST. Call now to get yours reserved!!!

Once a year, per area, residents, volunteer groups and neighborhood associations may schedule 10 dumpsters for neighborhood cleanup projects. The dumpsters are delivered and picked up two days later. Groups must advertise the cleanup project, collect the debris and load it into the dumpsters.

Dumpsters are not automatically scheduled for your neighborhood each year. Dumpster requests are accepted on the first business day in February and are filled based on a first come first serve basis. Dumpsters may be scheduled typically for the second week in March through the second week in November. Times vary every year.

Please contact the Sanitation Services Supervisor Ray Hinkle at (801) 955-3723 to schedule dumpsters or for more information.

In addition to scheduling dumpsters and completing the application, residents must distribute 100 flyers to neighborhood homes around the area where the dumpsters will be located. Neighborhood Associations registered with the Neighborhood Services Office may request free copying by calling (801) 963-3562.

Simple Guidelines for Dumpster Use

- Dumpsters are for residential use only. Contractors or construction sites are not eligible to use the neighborhood dumpsters.
- ABSOLUTELY NO HOUSEHOLD HAZARDOUS WASTE.
- Landscaping materials such as rocks, dirt, concrete and blacktop cannot be placed in the dumpsters.
- Never leave materials on the ground next to the dumpsters.
- DO NOT OVERLOAD DUMPSTERS! Never fill the dumpster above the sidewalls.
- Remember, bulky waste is once a month. Many of the same items that can be placed in the dumpster can also be put out for bulky waste pickup.
